

GIS Drainage Mapping Inter

Madison County, Indiana has a paid GIS Internship opportunity in our County Surveyor's Department. The GIS Intern's duties include but are not limited to: creating a watershed boundary dataset, determining regulated drain locations from aerial photography and the input of raw GPS data into the county GIS.

This is a one-year, 15-30 hour a week position. The work schedule is between 8:00 a.m. and 4:00 p.m., Monday through Friday, hours are flexible with each semester.

Knowledge of ESRI/ArcGIS software is required. Familiarity with AutoCAD and legal description is a plus, but not required. Must be highly motivated and able to work with others as well as alone.

To apply, contact Brad Newman, bnewman@madisoncty.com or (765)641-9638.
